To Whom It May Concern:

We are pleased to offer this letter of recommendation for MIG Nevada to be nominated as "Supplier of the Year" for the National Minority Supplier Development Council. They exemplify the essence of a true business partner by exhibiting dedication and commitment to every project accepted by their team.

Before entering the Las Vegas marketplace they did their homework. They made sure they understood the dynamics that would make them successful. Their sights were set on the Las Vegas Strip. In May 2006, one of our development groups offered MIG Nevada their first opportunity. They have repeatedly exceeded our expectations by staying focused on the budget, schedule and respecting the project design. They are a hands-on partner all the way through and continue to provide assistance once the project is turned over.

Because of their dedication and commitment as a true business partner, they have expanded their scope of work to include projects at Mandalay Bay, Luxor, Excalibur, NYNY, MGM Grand, MGM Signature Towers, and Treasure Island. The partnership has now evolved into an opportunity with our multi billion dollar mixed-use urban development project, CityCenter. MIG Nevada successfully bid and was awarded three (3) contracts.

MGM MIRAGE has enjoyed the partnership with MIG Nevada and we look forward in growing together.

Sincerely,

A handwritten signature in cursive script that reads "Irene Bustamante Adams".
